Rashriya Ekta Diwas (National Unity Day)

India is celebrating October 31 as National Unity Day to pay tributes to veteran freedom fighter Sardar Vallabhbhai Patel, who was also the country's first home minister whose contribution in convincing many of the princely states to join the Union of India after Independence remains especially notable. As the country remains grateful for Patel's crucial efforts leading to the integration of India, the day is celebrated as homage to that "national unity". The government in 2014 declared that Sardar Vallabhbhai Patel's birth anniversary on October 31 will be celebrated as National Unity Day or Rashtriya Ekta Diwas. National Unity Day is conducted on 31.10.2020 by taking pledge on Rashriya Ekta Diwas (National Unity Day) to faster and reinforces our dedication to preserve and strengthen unity, integrity and security of our nation on the birth Anniversary of Sardar Vallabhbhai Patel nearly 560 students participated and taken the oath.

Vigilance awareness week

Vigilance awareness week is conducted on 29th october to 3rd of November 2020 in the college campus and integrity Pledge has been taken by the 964 students and 15 faculty members.

Green Initiative (Plantation Programme) 2021

A Campus is a place where environmentally friendly practices and education combine to encourage sustainable and eco-friendly practices in the campus. Greening the campus is all about sweeping away wasteful inefficiencies and using conventional sources of energies for its daily power needs, correct disposal handling, purchase of environment friendly supplies and effective recycling program. Our college campus is well known for green initiatives and visitors and parents and the students will feel happy and a feeling is received harmonically. Plantation of saplings is the regular activities in our campus National Service Scheme (NSS) and Youth Red Cross (YRC) volunteers are the major role players in the green initiatives. The shade giving trees are nursed and developed and this is the continuous process which inculcates the ecosystems in and around the campus. More Green Initiatives are being planned for wastewater treatment as well as recycling and rainwater harvesting in a decentralized manner. It has shown remarkable awareness in maintaining an eco-friendly campus. Indeed, viewing the lush green lawns, labeling the trees on the basis of botanical names.

Botanical names of the trees

Botanical names of the trees in three languages (Tamil, English and Hindi) were displayed on July 2019 in and around campus.

Birds Water Feeder

Bird water feeders were placed in and around college campus

a. Plantation of saplings
