MESSAGE FROM TRUSTEE – ADMINISTRATOR

Indeed we are delighted and convey our heartfelt thanks to Anna University Sports Board for having nominated our College as the Zonal Sports Coordinating Centre for the year 2015-16. We assure that all possible efforts consistently will be evolved to deliver the best in Sports administration. Sports are good for learning, accountability, dedication and leadership, among many other generally, some may think that sports could distract student – athletes from academic work but the opposite is true. Sports require memorisation, repetition and learning the skills that are directly relevant to class work. The determination and goal setting skills which sports require can be transferred to class rooms. I fervently hope that in future people will tend to be more optimistical to sports since they are the necessity of our lives. Since, they build planning and analytical skills which will enhance our concentration in one's life. I conclude here with an old saying that WINNERS LOOSE, WINNERS PARTICIPATE AND WINNERS ONLY PLAY.

Our Bharat Ratna A.P.J. Abdul Kalam said
"INDIA HAS TO BE TRANSFORMED INTO A DEVELOPED NATION AND A HEALTHY NATION, WITH A VALUE SYSTEM."

MESSAGE FROM THE ZONAL COORDINATOR

Sports in Life and Life with sports!!!

Sports teach us much about life. It teaches us about teamwork, it teaches us how to get along with others, and it teaches us to work together to achieve a common goal. It's also about trust and responsibility and about dealing with success and failure.

Sport also helps us learn about coping with pressure and the need to stick with training in order to improve. Apart from individual benefits, sports and physical activities bring great benefits to communities through improved health and education, rehabilitation, crime prevention, and gender equality. Sports enable one to maintain sound health to lead a sound life. I am happy to identify myself with the squad of energetic players who once proved and are proving their skills through training the budding players to prove their worth in this competitive world. I wish all the success to the members of the department of physical education for their endeavours.

Dr.M.Afzal ali Baig
