AZADI KA AMRIT MAHOTSAV**

As part of the 'Bharat Ki Azadi Ka Amrit Mahotsav' celebrations, a series of events are being organized by the Government of India to commemorate the 75th Anniversary of India's independence we aim to revisit history and acknowledge our local heroes whose struggles during the Freedom Movement have not received prominence in the conventional storyline. Let's raise awareness about our freedom struggle & the unsung heroes associated with it. It's time that the contributions of fighters like Veer Gundandhur, Velu Nachiyar, Bhikaji Cama, etc. Let us celebrate 'Bharat Ki Azadi Ka Amrit Mahotsav' by singing our national Anthem together.

WEBINAR ON 'THE IMPORTANCE OF AGRICULTURE'

On 18.11.2021, between 10.30 and 11.30, a webinar was conducted on the 'Importance of Agriculture' in zoom platform. Dr.M.Senthil kumar., MSc.,PhD , Asst.Prof. in Tamilnadu Agriculture University , delivered a presentation on the importance of farming, farmers and the technological advancement in the agriculture field and the resources for business development, to the budding Engineers. Students from different backgrounds found the session interesting and said that the session was useful as they had now come to know the various developmental opportunities available in the field of agriculture. Nearly 220 students have attended this weinar.

Importance of Agriculture

SENTHIL KUMAR M

Ag Agricultural Engineering - Deals with farm machinery for field preparation, inter-cultivation, harvesting and post harvest processing including soil and water conservation, electrification and bio energy.

Home Science - Deals with application and utilization of agricultural products in a better manner in order to provide nutritional security, including value addition and food preservation. On integration, all the seven branches, first three is grouped as for crop production group and next two animal husbandries and last two allied agriculture branches.
