Academic Year: 2021-2022

M/S Infocare Engineering Services Private Limited

The Department of Electrical and Electronics Engineering organized a Webinar on current challenges and advancements in IoT security by Mr. Abdul Rahman, Network Engineer, M/S Infocare Engineering Services Private Limited on 22-04-2022 from 11.00 a.m to 12.30 p.m for III year EEE students. A total of 24 students participated in the Webinar.

Fig: Webinar on current challenges and advancements in IoT security

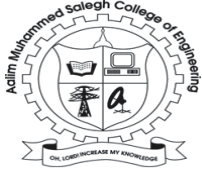

The webinar focused on the current challenges and advancements in IoT security. Experts highlighted the increasing number of IoT devices and the corresponding rise in security vulnerabilities. Key points included the importance of securing IoT devices from the design phase to prevent common vulnerabilities such as weak passwords and outdated firmware.

The discussion also covered best practices for IoT security, including regular software updates, strong authentication mechanisms, and network segmentation to isolate IoT devices from critical systems. The role of AI and machine learning in detecting and mitigating IoT threats was emphasized, showcasing how these technologies can identify unusual patterns and potential attacks in real-time.

Additionally, the webinar addressed the regulatory landscape and the need for standardized security protocols across the industry.

1. M/S SAI EDUCATION AND JOB CONSULTANCY PRIVATE LTD

The Department of Information Technology organized a seminar on the topic “Latest Job Opportunities Available in the IT Sector” by Er. Habib Mohammed, Team Lead, Barclays International Bank on 18-02-2022 at 11.00 a.m. A total of 74 students attended the seminar. The students gave their valuable feedback.

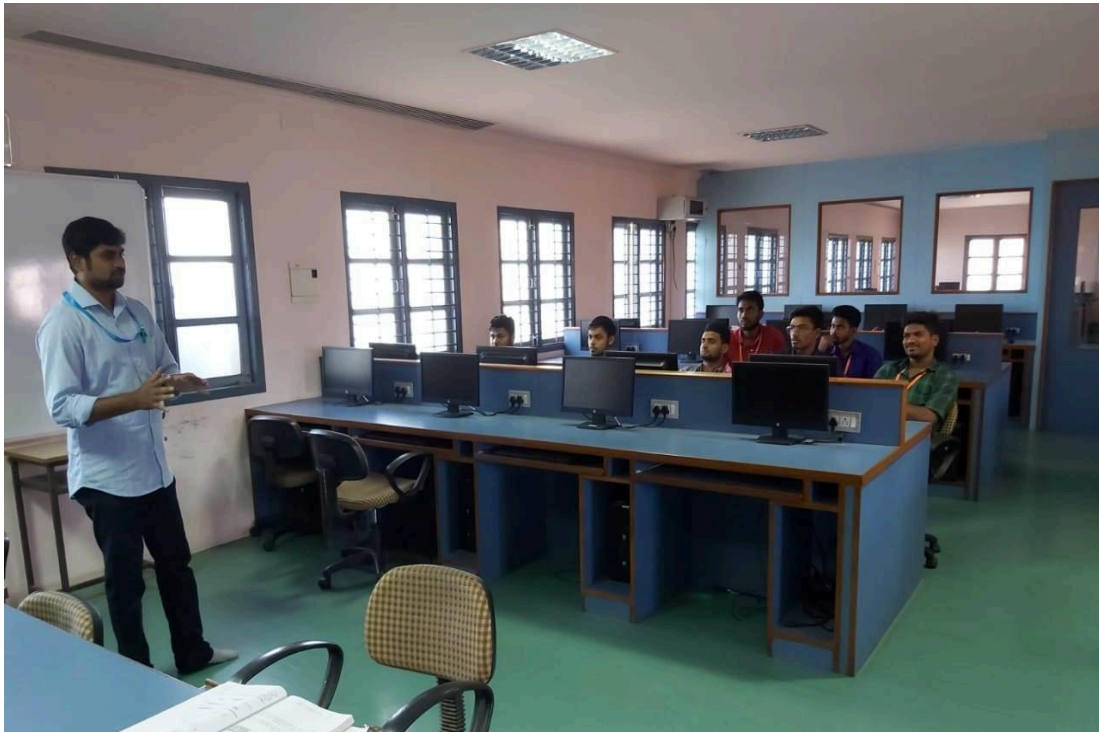

Fig:Seminar on Latest Job Opportunities Available in the IT Sector

The students who have attended the seminar were not just able to get a great exposure on various job possibilities in the IT sector, but were able to select the right career option after completing their studies.

PRINCIPAL
AALIM MUHAMMED SALEGH
COLLEGE OF ENGINEERING

Also it was seen in the seminar that students are more keen on knowing about the various work at home options so that they can do something along with their studies as well. In this regard the company offered a number of useful tips as well as a chance to work with them as well. It is important to note that since the company is working in a number of domains like web content writing, web designing and Search Engine Optimization (SEO) so it offered a chance to the students to join them after qualifying a simple test.

From: Lavanya K <lavanya@teachsubtechnologies.com>
Date: Thu, Apr 15, 2021 at 11:32 AM
Subject: Invitation for MyOSin Virtual Job Fair to be conducted on 17th April 2021
To: Dhana TeachSub Tech <dhana@teachsubtechnologies.com>, Johnson TeachSub Tech <johnson@teachsubtechnologies.com>

Dear Sir/Madam,

Greetings from MyOSin!

We are privileged to have your presence for the **MyOSin MEGA VIRTUAL JOB FAIR** scheduled on the coming Saturday 17th April, from **9.00 AM onwards**, at the venue
TeachSub Techno Solutions Pvt Ltd
Reg. Off: CAMPUS OF NAZARETH COLLEGE OF ARTS & SCIENCE
KOVILPHAGAI MAIN RAOD, KANNADA PALAYAM
AVADI, CHENNAI 600062

The venue will be open from 7.30am onwards for the proceedings of the day.

Kindly note that Breakfast, Lunch, Hi tea and refreshments are arranged for all the TPOs participating in the Virtual Job Fair. We request the TPOs to arrive at the venue before 8:30am as it will help us to proceed as per the pre-planned agenda and also provide you a seamless hiring process. Toward and onward transportation facility will also be organised for the TPOs upon prior information.

Being your virtual partner we would like to reassure you of our support throughout the process. We would also appreciate it if you could encourage your students to ensure their timely participation and complete cooperation.

Following companies are going to participating in this **MyOSin MEGA VIRTUAL JOB FAIR 2021**

Buzzworks Business Service Pvt Ltd
Teamlease Services Pvt Ltd
Equitas Bank
Rudran Global Services
Kadamba Technologies
TVS Credit Service
Assure Edge
India Health Care BPO
Best Infotech
BE Groups
Episource
Eximio Services & Solutions Pvt Ltd
ADZ4Need
Violin Technologies Pvt Ltd
Quadrel Systems Pvt Ltd
EASUN MR
TVS Logistics Pvt Ltd

We are eagerly looking forward to welcome and meet you at the venue on Saturday 17th April 2021 at 8:30 AM. Please feel free to reach out to our hospitality coordinator **Mr. Dhanasekaran 88835 44000/96779 83188** for any assistance in this regard.

From: Lavanya K <lavanya@teachsubtechnologies.com>
 Date: Tue, Apr 20, 2021 at 11:50 AM
 Subject: Mega Job April 17th 2021- Thanking Mail and Applicants list
 To: R Ravikumar <r.ravikumar@aalimec.ac.in>
 Cc: Dhana TeachSub Tech <dhana@teachsubtechnologies.com>, Johnson TeachSub Tech <johnson@teachsubtechnologies.com>

Dear Sir,

Greeting from MyOSin (<https://myonlinestatusin.com>).

I am writing this email to thank you and your students for participating in our JOB FAIR held on 17th April 2021.

Kindly note that we have helped more than 450 students to be shortlisted for the either for the next round of interview/or for the job to be offered by the corporates who participated in the same event. You may download the details of your students shortlisted in the Jobs listed in MyOS Portal. Kindly login to download the same.

Please contact the respective corporates for the receipt of the offer letters. I have also attached the list for your reference

Thank you,

Regards

Lavanya Balakumar

Seger Overseas Pvt.Ltd

The Department of Civil Engineering organized a Webinar on Contemporary career opportunities in MEP & BIM was conducted by Er. S. K. Sadiq, Lead Engineer, Seger Overseas Pvt. Ltd on 28-04-2020 from 11.00 a.m to 12.30 p.m for III year and IV year Civil students.

Fig: Webinar on Contemporary career opportunities in MEP & BIM

The webinar on “Contemporary Career Opportunities in MEP & BIM” highlighted the growing demand for professionals in these fields. It covered industry trends, essential skills, and real-world case studies, providing valuable insights for participants to explore and pursue dynamic career paths in Mechanical, Electrical, and Plumbing (MEP) and Building Information Modeling (BIM). It encouraged participants to pursue relevant certifications and training programs to enhance their skills and employability, showcasing the potential for significant career growth and opportunities in these rapidly evolving fields.

A total of 45 students attended this webinar. The participants appreciated the session.

Nseit Ltd

The Department of IT Conducted Three days Workshop on “Cyber security” for IT and CSE Students from 28.01.2020 to 30.01.2020. Resource person Mr. Vamsidhar , Cyber Security Expert from Nseit Ltd. A total of 61 students attended the workshop.

Fig: Workshop on “Cyber security”

The first day began with opening remarks from the organizers, outlining the workshop’s objectives and agenda. The keynote sessions featured prominent cybersecurity experts who provided an overview of the current landscape, highlighting the increasing frequency and sophistication of cyber threats. They discussed the importance of cybersecurity in protecting critical infrastructure, personal data, and national security.

The second day focused on practical, hands-on learning. Participants engaged in interactive exercises designed to simulate real-world cyber threats and defenses. Case studies were presented, showcasing real-world examples of cyber attacks and the strategies employed to counter them. Group discussions allowed participants to share their experiences and best practices, fostering a collaborative learning environment.

The final day was dedicated to strategic planning and future directions in cybersecurity. Sessions focused on developing national and organizational cybersecurity strategies, with an emphasis on proactive measures and resilience. Experts discussed emerging technologies such as artificial intelligence, blockchain, and quantum computing, and their potential impact on cybersecurity. The

workshop concluded with feedback sessions and closing remarks, summarizing the key takeaways and outlining the next steps for participants.

This workshop was a valuable opportunity for participants to enhance their understanding of cybersecurity, develop practical skills, and build a network of professionals committed to safeguarding digital assets.

The Department of Electronics and Communication Engineering conducted a Workshop on Bridging the Gap between Academia and Industries on 10-12-2019 from 11.30 a.m to 12.30 p.m. A total of 25 students attended the workshop.

Fig: Workshop on Bridging the Gap between Academia and Industries

The workshop on “Bridging the Gap between Academia and Industries” focused on fostering collaboration between educational institutions and the industrial sector. Key discussions highlighted the importance of aligning academic research with industry needs to drive innovation and economic growth. Experts from both fields shared insights on overcoming barriers to collaboration, such as differing priorities and communication gaps. The workshop also emphasized the role of internships, joint research projects, and continuous dialogue in creating a mutually beneficial relationship. Participants left with a clearer understanding of how to integrate academic knowledge with practical industry applications for societal advancement.

Mr.Aarif Mohamed Hussain, Associate Director, CTS ,Chennai, conducted a Seminar on “ Secret to Success and Technology trends in Big Data“ for the students of Third year IT and Final year IT on 29/09/18 from 2.30 p.m to 3.50 p.m. A total of 68 students attended this program. The brief of his presentation has included the following:

- Discovery of Data
- Data Preparation
- Data Modelling
- Model Building
- Communication Result and Findings
- Optimization Techniques.

He also thoroughly informed students about what the IT industry expected today from an IT Expert, especially a Data Analyst. During the session, he also stated and expressed how to create careers in those fields and how to gain advantage in the current scenario by using various trajectories. The event proved to be beneficial to all the students in terms of their careers in the long run, as they learned about AI & Big Data Analytics in detail. Later, a query session took place in the end as a conclusion of the session, wherein students cleared all their doubts.
