REPORT OF THE PROGRAMME
ON COMPANY SPECIFIC TRAINING PROGRAM

College Name: Aalim Muhammed Salegh College of engineering.

Date: 20.10.2018

TYPE OF EVENT	Career Guidance program
VENUE	Abdul kalam auditorium
TIME	12:30 pm
CONDUCTED BY	Aalim Muhammed Salegh College of Engineering
ORGANIZED FOR	B.E students
NAME OF THE COORDINATOR	Mr. Ravikumar Placement Head
ATTENDANCE	122
Resource Person	Mr. V. Prasad, HR, Infosys Ltd.
Objective of the Event	The objective of the Career Guidance program organized by Infosys Ltd is to empower and equip participants with the essential skills and knowledge needed to navigate their career paths effectively. By providing insights into industry trends, skill development, and professional networking, the program aims to bridge the gap between academic learning and real-world applications. It seeks to inspire and guide individuals in making informed career choices, enhancing their employability, and ultimately fostering a more skilled and adaptable workforce.

LEARNING OUTCOME

Participants in the Career Guidance program conducted by Infosys Ltd will gain a comprehensive understanding of the current job market landscape and the skills required to excel in their chosen fields. They will develop practical insights into industry-specific trends and career opportunities, learn effective strategies for resume building, interview techniques, and professional networking. Additionally, attendees will acquire valuable knowledge on aligning their academic qualifications with real-world job expectations, enhancing their overall employability and career readiness. This program aims to instill confidence and provide actionable guidance to navigate the complexities of career development successfully.

Brief content of the event:

Aalim Muhammed Salegh College of Engineering organized a Session on company specific training in the Abdul Kalam Auditorium. The Career Guidance program organized by Infosys Ltd offers a multifaceted approach to career development, featuring a series of workshops, interactive sessions, and expert talks. The event covers essential topics such as understanding industry trends, building effective resumes, mastering interview skills, and leveraging professional networking. Attendees gain hands-on experience through mock interviews and personalized feedback, while also exploring potential career paths and opportunities within the technology sector. The program is designed to provide practical tools and actionable insights, helping participants make informed decisions and strategically plan their career trajectories.
