LEARNING OUTCOME

Participants in the Career Guidance program conducted by Infosys Ltd will gain a comprehensive understanding of the current job market landscape and the skills required to excel in their chosen fields. They will develop practical insights into industry-specific trends and career opportunities, learn effective strategies for resume building, interview techniques, and professional networking. Additionally, attendees will acquire valuable knowledge on aligning their academic qualifications with real-world job expectations, enhancing their overall employability and career readiness. This program aims to instill confidence and provide actionable guidance to navigate the complexities of career development successfully.

Brief content of the event:

Aalim Muhammed Salegh College of Engineering organized a Session on company specific training in the Abdul Kalam Auditorium. The Career Guidance program organized by Infosys Ltd offers a multifaceted approach to career development, featuring a series of workshops, interactive sessions, and expert talks. The event covers essential topics such as understanding industry trends, building effective resumes, mastering interview skills, and leveraging professional networking. Attendees gain hands-on experience through mock interviews and personalized feedback, while also exploring potential career paths and opportunities within the technology sector. The program is designed to provide practical tools and actionable insights, helping participants make informed decisions and strategically plan their career trajectories.

LEARNING OUTCOME

The Career Guidance program conducted by TATA Consultancy Services (TCS) aims to equip individuals with essential skills and insights to navigate their career paths effectively. Through a structured approach that includes personalized assessments, expert advice, and industry-relevant workshops, the program helps participants identify their strengths, explore various career options, and develop actionable strategies for professional growth. By leveraging TCS's extensive industry experience and resources, the program empowers individuals to make informed decisions, enhance their employability, and achieve long-term career success.

Brief content of the event:

Aalim Muhammed Salegh College of Engineering organized a Session on company specific training in the Abdul Kalam Auditorium. The Career Guidance program organized by TATA Consultancy Services (TCS) featured a series of workshops and interactive sessions designed to support participants in their career development. The event included expert talks on industry trends, personalized career assessments, and practical exercises to help attendees understand their strengths and interests. Participants received guidance on resume building, interview techniques, and job search strategies, all aimed at enhancing their employability and aligning their career goals with market demands. The program also provided networking opportunities with industry professionals, offering valuable insights and connections for future career advancement.
