Criteria 5.3.2

Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities following duly established processes and norms (student council, student's representation on various bodies)

Our Institution, fostering student engagement and representation is crucial for creating a vibrant and inclusive campus environment. An active student council and the representation of students on academic and administrative bodies/committees play a pivotal role in ensuring student voices are heard, their interests are represented, and their needs are met.

Our campus has the following active students' involvement committees,

- **IQAC**
- **PALS**
- **ICT**
- **NSS**
- **Class committee**
- **Anti ragging committee**
- **Women grievances committee**

ACTION TAKEN REPORT

**Ref: A letter from The Centre for Students Affairs – Anna University
Letter No. CSA / SA 3-2 / 495 / 2022, Dated 29-09-2022**

With reference to the letter from **The Centre for Students Affairs,**

I, **Dr. Sathish S,** Principal of Aalim Muhammed Salegh College of Engineering conducted a staff meeting to pronounce and emphasize the special initiatives taken regarding ragging to quell ragging completely as per the instructions and direction of the Government of India. I hereby submit the action taken report for your kind perusal.

Aalim Muhammed Salegh College of Engineering has been very keen in quelling ragging down the years and this year we have introduced various new initiatives to check ragging. Some of them are as follows and the evidences for the actions taken are enclosed.

1. The boards and banners bearing messages regarding ragging like
 - What is ragging? What constitutes ragging?
 - What are the repercussions due to ragging?
 - Contact details as per the direction of the Government of Tamilnadu and Anna University.are hosted in and around the college in places like canteen, hostel, rest and recreational rooms.
2. Orientation regarding the nature of ragging, the ways to protect oneself from it and the means available to seek help from the ragging Committee of the college, Anna University and AICTE are given to the first year B.E / B.Tech students of our students in their respective classes for one hour. The photos of the orientation meeting are enclosed.
3. Apart from orientation meetings the students are motivated to be bold enough to react against ragging or any harmful misuse of the person.
4. Surprise visits have been arranged by the monitoring committee to Surprisingly check the movement of the boys and girls in all the public places.
5. Different committees comprising of staff members are formed to monitor the Conduct of student community in the hostel, at the canteen, inside the campus, in all the floors of the classroom buildings, bus stops and railway stations etc. the list is enclosed.

6. CCTV cameras are fixed at the Men's hostel to monitor the movement of the students.
7. Regular monitoring of students is done by all the faculty members when they ease out of their classrooms during lunch breaks and intervals.
8. The mobile numbers of the internal Anti-Ragging committee of the college are provided to the first year students of B.E / B.Tech so that they could immediately convey the occurrence of any ragging act if presumed.
9. The college maintains a good rapport with the inspector of the local police station and the officials and has requested the Inspector of Police, Muthapudupet to help us in case of the occurrence of the ragging act.
10. Circular regarding ragging - insisting on the harmful effects of the ragging within the campus is also circulated to all the classes including eve-teasing.
11. General circular has been circulated to the students to create a kind of awareness to the students regarding ragging outside the campus and its aftermath, traffic rules, safety during travel, and the use of cell phones while driving etc. The students are strictly warned not to indulge in the offensive act of ragging and to be careful in conducting themselves carefully even outside the college campus.
12. The college has taken steps to ensure students using personal vehicle hold appropriate license, RC book for the vehicle and the current insurance policy. The circular regarding that is enclosed.
13. Our college arranges regular Parent – Teacher meet to cater the needs of the students and to maintain the rapport with the parents and to emphasize on the ragging issues with the parents of the senior students and to alert the parents of the freshers.
14. Meetings are conducted with the staff and students to imbibe the directions of the Government and the orders of the Anna University to make this campus a ragging free campus.
15. A complaint box is placed at the main office to facilitate first year students to deposit their complaints into it.
16. Gate duty and Floor duty is executed to monitor the conduct of the students.
17. Interval and lunch timings are fixed differently so as to give no chance for the senior students to meet the fresher's.
18. Regular visits to the Men's and women's hostel are carried out by the Head of the Ragging Squad **Dr. Sathish S** and his committee members.
19. Everyday visits by all the head of the departments are planned and executed keeping in mind the safety and harmonious stay of the first year students at the hostel.

20. A Seminar on Anti-Ragging was conducted on 21-09-2022 by **Dr. Suresh Kumar K**, department of Physics and NSS Coordinator regarding the ways in which senior students must be cooperative and affectionate to the fresher's or first years.

Hence these are the steps that we have taken to quell this horrible menace named RAGGING with an intention to make this campus - a ragging free campus.

PALS - PAN IIT ALUMNI LEADERSHIP SERIES

PALS is an educational initiative of Alumni of all IITs, supported by IIT Alumni Industry Interaction Centre (IITAIIC) and IIT Madras Alumni Charitable Trust (IITMACT) for the benefit of students of selected engineering colleges in Tamil Nadu (to start with).

PALS today offer a yearlong program with various activities for the students, faculty and management of Engineering Institutions. Industry Projects and Internships are provided to the students to provide them with an exposure to industry. The offerings are frequently revised to keep them in tune with changing market conditions. From Aalim Muhammed Salegh College of Engineering 1107 students and 97 faculty members were benefited through various activities from PALS (2022-23). PALS conducts various events throughout the year like, campus lecture series, Theory to Practice Lectures, Live web streaming (T2P), Educational summit, FDP, Industrial visit to faculty and students, residential workshops, innawah, Research at IIT Madras, Industry Internships.

The following faculty members and students are providing their support and assistance for the effective functioning of PALS in our college.

PALS-RESIDENTIAL STUDENT WORKSHOP AY (2022-23)

The **RSW** in the conventional format is a three-day residential program conducted at IIT Madras. The main objective of the program is to encourage students to think of creative solutions to problems. They are encouraged to understand a problem, develop solutions and create a working prototype, which is then judged on its ability to meet set criteria. The solutions should also accommodate for the limited resources that are made available in constructing the prototype.

The program includes several lectures by Design personnel from industry and Professors from IIT, Madras covering a wide range of topics such as Design Thinking, Engineering sense, Techniques in innovation and many more, which aid the students in their search for the optimal solution. Team building, understanding the skills each of them bring to the table and the confidence of building a working model are additional learning from this program. In this event a total of **94 students from 22 colleges all over India** participated in the event.

From our college, **Mr.B.Karthikeyan (II-year, B.E-Mechanical Engineering), Mr.V.S.S.Mohideen Thamby (II-year, B.E-Civil Engineering), Mr.Abdul Wahid.M (II-year, B.E-Mechanical Engineering), Mr.Raiyan.A.S (II-year, B.E-Mechanical Engineering), Mr.Syed Muzakkir.S (II-year, B.E-Electronics and Communication Engineering) and Assistant Professor Mr. D.Eeswar Samhithan (ECE) as faculty mentor participated and obtained **FIRST PRIZE.****

PALS-RSW THREE DAYS PROGRAMME PARTICIPANTS AT IIT, MADRAS.

PALS-RSW First Prize Winners are appreciated by the Principal Prof.Dr.S.Sathish along with PALS Coordinators and Head of ECE, Civil Departments.
