

6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities

The IQAC is continuously ensuring various quality assurance steps at all levels of the Institution functioning as mentioned below.

1. Teaching Learning process – Outcome Based Education (OBE)
2. Institute Innovation Council (IIC)
3. Utilization of ICT Tools
4. Industrial Collaboration
5. Research and Development

Teaching Learning process – Outcome Based Education (OBE)

Outcome based education (OBE) system has been implemented towards strengthening the Learning potential of Students. The implementation of Outcome Based Education in the Teaching Learning process produced the following benefits.

- As per the Guidelines of UGC, Professor of Practice is introduced in our Institution to encourage Students in Innovation, Entrepreneurship and provide necessary mentorship for these activities.
- Significant Skill Development among the Learners by Students Startup, Students Academic Clubs, TNSCST Projects, Naan Mudhalvan Niral Thiruvizha Projects, PALS innoWAH! Competition.
- Curriculum Gap in Theory and Laboratory Courses is filled by Content beyond the Syllabus
- IQAC focuses on the continuous improvement of the Students by conducting Daily Practice Test (DPT) and Remedial Classes for Slow Learners.
- The Performance of Students is measured by CO-PO Mapping and Attainment.
- Activity-based Curriculum in which the Teacher performs and the Students manipulates Collaborative and Blended learning by Industrial Visits, Internship, PALS, ICT, MOOC Courses and Student Clubs (AMSCE Fullstack Club, Data Science Club, IOT Club)
- Enhancing the Students Capability for Employability, Higher Studies and Entrepreneurship through Soft Skills Training Programme (SSTP), Language Laboratory, Career Planning and Development Cell and MoUs with various Industries.

Transforming Houses into Homes, One Fix at a Time. Tolilali brings expertise and care to your doorstep.

Who are we?

At Tolilali, we're a team of enthusiastic third-year Computer Science Engineering students from Aalim Muhammed Salegh College of Engineering. Our journey began with a simple yet profound idea – bridging the gap between clients and workers in need of household services. Recognizing the need for an organized platform, we have developed a simple platform which connects the clients and the workers

What We Do?

Tolilali connects unskilled, semi-skilled, and urban workers with job opportunities right at your doorstep, especially catering to those stranded workers from northern states seeking employment in Tamil Nadu.
