**7.1.4 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens (Within 500 words)**

**Response:**

The Institution strives to ensure equal opportunities for all, regardless of their background, be it class, gender, creed, culture, language, caste, etc. It enables staff and students to participate fully and actively in every activity, including decision-making. Faculty, management, and students understand, accept, and respect diversity. A balanced, equitable, and cohesive environment is created on the campus where everyone respects everyone, irrespective of abilities, disabilities, socio-economic background, gender, religion, and region. The staff and students from heterogeneous groups accept and respect each other. They love and prefer peaceful coexistence, cooperation, and mutual understanding. Initiatives are made for the development of tolerance and the inculcation of harmony among students through conducting co-curricular activities. Throughout the academic year, birth anniversaries of great saints, social and religious reformers, nationalists, and freedom fighters are celebrated, from which staff and students become acquainted with values. The fundamental values of life have been taught in the curriculum of some courses, namely sociology, political science, literature, environmental studies, and human rights. The departments and committees held seminars and special talks on communal harmony, tolerance, social justice, social equality, national integration, and other crucial life values. The special talks and workshops enable staff and students to explore a wide spectrum of values with the potential to enrich their lives. On the occasion of celebrating National Festivals, invite Guests and inspire the Faculty members and students by sharing information on important events of the Indian freedom movement, sacrifice, and the rights, duties, and responsibilities of citizens that are enshrined in the constitution of democratic India. A code of ethics and conduct is prepared to regulate staff and students' behaviour on and off campus. Everybody obeys rules of conduct and behaves accordingly. The involvement of staff and students in NCC and NSS activities helped to strengthen social bonds and harmonious relations. The College has celebrated **Azadi Ka Amrit Mahotsav** by conducting various programs like Tree plantation, Painting, Essay Writing,

Elocution, and an Awareness Programme for School students on Personal Hygiene. The College celebrates **International Yoga Day** on June 21st every year. **Unnat Bharat Abhiyan** Adopted five villages to conduct activities for their socio-economic development. The students were taken to the villages adopted by the College. The villages visited by our students were Palavedu, Pakkam, Puliur, Kadavur and Pandeswaram from 10.11.2022 to 17.11.2022. The 270 students had a wonderful time interacting with the people living in the villages. The College NSS wing displayed charts of citizens' human rights, duties, and responsibilities in the important places on campus by celebrating **Rashtriya Ekta Diwas** every year on October 31st. **National Voters' Day** is celebrated During the Elections. Various programmes have also been conducted on ecofriendliness, biodiversity, and sustainable environments. **International Women's Day** is celebrated on March 8th every year. As initiated by the **All India Council for Technical Education** (AICTE), New Delhi, the college has organized 'Student Induction programme' for the first-year students every year on the guidelines given by AICTE-SIP modules. The Teachers teach about morals, ethics, values, and virtues in their regular classes. The language teachers inculcate good practices and morals into the students' lives by preaching moral stories.
