FOUNDER

ALHAJ. DR. S. M. SHAIK NURDDIN

Combating the inequalities in the accessibility of education, Alhaj Dr. S.M. Shaik Nurddin's firm belief that education has phenomenal powers to bring about substantial benefits to individuals and the society laid the foundation for the emergence of the Aalim Muhammed Salegh Trust and the group of educational institutions under its umbrage. Dr. Nurddin's conviction that education is a tool for social change for the betterment of the society is the underlying philosophy that guides the institutions founded by him. With this goal Aalim Muhammed Salegh educational institutions function with focused attention imparting career-oriented courses and excellent teaching to enable students to acquire knowledge and skills that help them to develop true professionals of international standards

IF YOUR ACTIONS INSPIRE OTHERS TO DREAM MORE, DO MORE, YOU ARE A LEADER – JOHN QUINCY ADAMS

Established in 1990, Aalim Muhammed Salegh Trust aims to impact technical and medical education to aspiring students. It also focuses on providing educational opportunities to students belonging to weaker social and economic sections as well as to those who hail from backward communities. Lack of economic means should not be a constraint to the poor and the indigent to acquire education and tread the path of progress and development. This underlying commitment is the spirit behind the trust that promotes education amongst all strata of the society with a view to dispel ignorance and superstition, eradicate illiteracy and equip the youth with knowledge and training that will improve their employability and pave way for their gainful employment eventually leading to the development of the society as a whole.

Dr. S.M. Shaik Nurddin was a sterling example of an educational entrepreneur who climbed the hierarchy of success through arduous toil and dedication. In every endeavor of his, he has left the indelible imprint of his vision of educational equality and inclusiveness. Dr. Nurddin's faith and vision continue to remain the guiding spirit that will constantly inspire us to carry on the mission initiated by him great zeal and commitment.

Aalim Muhammed Salegh Trust and the group of institutions will follow his footprints and forge ahead in the path laid down by him in our efforts to serve the society in the best possible manner. Our endeavor to disseminate knowledge and mould the character of impressionable young minds to develop into committed and productive citizens is ceaseless. That was Dr.Nurddin's dream and desire. We will strive to uphold the values instilled by him in our pursuit of exploring and unraveling new vistas in the field of education.

Secretary's note

I am gratified that the college magazine serves as a showcase of the diverse talents and achievements of our students and faculty members and also as a chronicle of our journey together as a vibrant academic community. Each contribution speaks to the unique perspectives and voices that define our college.

I congratulate all the contributors, editors and faculty members who have dedicated their time and efforts to make this publication possible.

Alhaj.S.Segu Jamaludeen
Secretary & Correspondent

CEO's note

We earnestly endeavour to help our students realize their dreams and make them better engineers with best infrastructure, techno - savvy ambience, latest gadgets to equip them to stride with competitive fervour, ever increasing new job oriented courses, career - counselling and highly qualified faculty members who galvanize the youth into positive action for the development of the society .

Mr. Muhammed Salegh
CEO-AMS Group of Educational Institutions

Editor's message:

Our magazine is a testament to the diversity of our campus, representing the myriad talents, achievements and perspectives that invigorate our institution.

The process of creating this magazine has been a journey of collaboration and dedication. We would like to extend our heartfelt gratitude to the Secretary and correspondent, editors, faculty members, designers and everyone who contributed a part, both seen and unseen, in bringing out this magazine

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

FEATURES, IMPORTANCE AND SCOPES OF THE DEPARTMENT

Electronics and Communication had sprung as a branch of Engineering from the technological advancements in the telegraphic industry in the late 1800s and subsequently had impact from the radio and telephone innovations in 1900s. Since then, there had been enormous and unbelievable technological improvements. This development had revolutionized Electronics and Communication Engineering tremendously and has made a paradigm shift from uncomfortable and restricted wired communication access to comfortable and unlimited wireless communication. The department has consistently maintained an exemplary academic record. The greatest asset of the department is its highly motivated and learned faculty. The available diversity in the expertise of the faculty with the support of the non-teaching faculty prepares the students to become competent in getting employed

in global multi-cultural environment. The graduates of Electronics & Communication Stream have been selected by some of the reputed multi-national corporates. We hope that we will continue to deliver our best to serve the society and mankind. We strongly believe that our students will continue to pass-on the skills and technical know-how to the forthcoming alumni of this semester.

Department of ECE organized a one-day workshop on "Data Science with Python" for the students of IV Semester on 11th June, 2024. The objective of the session was to make the students aware about data science with Python and its various applications. It also makes them aware about the various future opportunities available in this domain. Er. MUHAMMED ILYAS, CEO - IT EXPERT TRAINING, AMSCE ALUMNUS, BATCH 2008-2012 (ECE) was the keynote speaker of this session. The workshop was an eye opener for the Students.

Er. MUHAMMED ILYAS, CEO - IT EXPERT TRAINING, AMSCE ALUMNUS conducted one-day workshop on "Data Science with Python"

NATIONAL CADET CORPS (NCC)

The National Cadet Corps (NCC) is a youth development organization that aims to develop qualities of leadership, discipline, and patriotism among students. It provides military training and encourages community service, helping students become responsible citizens and leaders.

Objectives and Benefits

• Objectives:

- o To instill discipline, leadership, and a sense of responsibility among youth.
- o To promote national integration and unity.
- o To provide a platform for students to engage in various activities and learn valuable life skills.

• Benefits of Joining NCC:

- o Leadership Development: Gain leadership skills through training and activities.
- o Discipline and Teamwork: Learn the importance of discipline, teamwork, and organizational skills.
- o Physical Fitness: Engage in physical training and activities to improve fitness.
- o Community Service: Participate in various community service projects.
- o Career Opportunities: Enhance career prospects with certificates and experience that can be beneficial for future employment or higher studies.

Lieutenant G. Vinoth Kumar, The NCC Commission Officer, completed the PRCN course (References PRCN-SD-172 and NAVEY-08AF-20) at the NCC OTA Kamptee from 12th June 2023 to 9th September 2023. From 21st September 2023, he assumed the position of Associate NCC Officer of the NCC UNIT in our college.

50 cadets have enrolled in NCC during the academic year 2023-2024

Our NCC unit has organized various events including Dengue Awareness program, Puneet Sagar Abhiyan, Awareness program on world environmental day, International yoga day celebrations, Drug Awareness program "SAY YES TO LIFE. NO TO DRUGS"

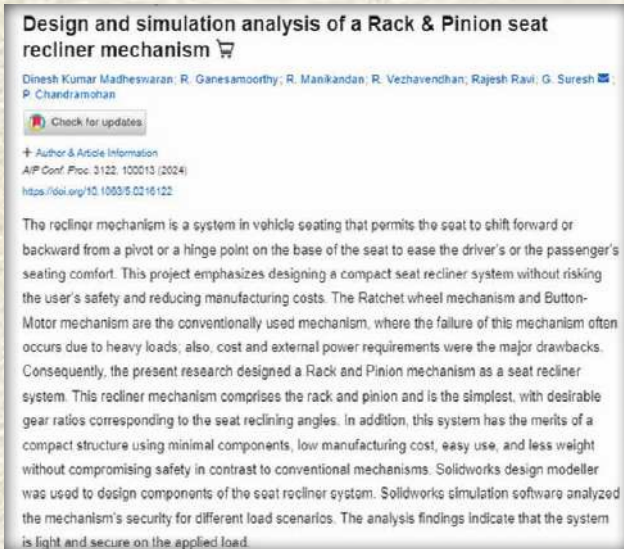

Our Cadets have successfully completed NCC B & C Certificate examination in 2023-2024

Hostel Day Celebrations

The event saw the participation of esteemed dignitaries, including the Chief Guest, Alhaj S. Segu Jamaludeen, who serves as the Secretary and Correspondent of the institution. Alongside, Joint Secretary KSM Ahamed Yaseen, the Principal-Prof. Dr.Sathish, Wardens, and Caretakers graced the occasion with their presence.

The event was a celebration of talent and sportsmanship, where winners of various sports performances were honored with mementos. Their dedication and hard work on the field were recognized, creating an atmosphere of accomplishment and pride.

Adding a touch of entertainment to the festivities, the Mimicry Senthil team provided an engaging and amusing performance that left the audience in splits. Moreover, the students themselves showcased their artistic flair with captivating group and solo dance performances, demonstrating their talent and creativity.

Hostel Day 2033 was a testament to the diverse talents and unity of the college community. It was a day filled with enthusiasm, recognition, and entertainment, leaving everyone with cherished memories of this remarkable celebration.

CERTIFICATE OF PARTICIPATION

C No: 124-217720
Date: 12 Jul 2024

J. JESINTHA PRABHA
Aalim Muhammed Salegh College of Engineering
has participated in 3 Day Faculty Development Program on
Design Thinking
conducted by ICT Academy on 10 Jul 2024 to 12 Jul 2024 at
Chevalier T.Thomas Elizabeth College For Women

Hari Balachandran
Director, ICT Academy

DEPARTMENT OF CIVIL ENGINEERING

FACULTY ACHIEVEMENTS:

1. INTERNATIONAL / NATIONAL JOURNAL EDITOR / REVIEWER

Faculty Name	Name of the Journal	Publication	Index and IF
Dr. D. Zunaithur Rahman	Journal of Civil, Construction and Environmental Engg (Editor)	Science Publishing Group	CrossRef, ResearchBib, WorldCat
	Urban Climate	Elsevier	SCI / 6.663
	Journal of Global NEST	Global NEST	SCI / 1.12
	Research on Chemical Intermediates	Springer	SCI / 2.914

2. INTERNATIONAL / NATIONAL JOURNAL PUBLISHED

Faculty Name	Title of the paper	Name of the Journal	Vol No, Issue & Year / DOI	Authorship, IF & Indexing
Dr. D. Zunaithur Rahman	Batch and Packed Bed Column Studies of Azo Dyes Adsorption from the Aqueous Solutions Using Activated Sugarcane Bagasse Charcoal Adsorbent: Isotherm and Kinetic Studies	Global Nest Journal	Vol 25, Issue 02, June 2023	Author, IF - 1.15, SCI, Scopus and UGC CARE

3. AWARDS AND CERTIFICATE RECEIVED

Faculty Name	Title of the Program	Type of the Program	Month & Year	Organized Institution
Dr. D. Zunaithur Rahman	Best Researcher Award 2023	Award	June 2023	Science Father, India

4. CERTIFICATE COURSE PASSED

Sl.No.	Title of the Program	Type of the Program	Month & Year	Organized Institution
1	Software Testing	AICTE-FDP (12 weeks)	July-Dec 2023	NPTEL SWAYAM – IIIT, Bangalore

STUDENTS' ACHIEVEMENTS :

- Sania Tazeen, Deepthi and Vijayarasi of second year participated and won the third prize in Technical Quiz at National Level Technical Symposium, S.A Engineering College on 9th Nov 2023.
- All the second year participated in AutoCADD competition at National Level Technical Symposium, S.A Engineering College on 9th Nov 2023.
- Vijayarasi of second-year is currently serving as a Cadet in the College NCC Army Wing.

CAREER PLANNING AND DEVELOPMENT CELL

Career Planning & Development Cell was established in the year 2003. CPDC is headed by Prof. R. Ravikumar. He has obtained his Masters degree in Social Work specialized in Personnel Management, Industrial Relations and Labour Welfare from University of Madras. He has also obtained another Masters Degree in Business Administration from REC, Trichy, Bharathidasan University.

Objective: The aim of Career Planning & Development Cell is to provide training to Engineering & Management students from the first year itself and impart various soft skills to enable them to acquire employable skills completely by the third year. Detailed planning is carried out at the beginning of the 7th semester for placements. Spark Infotech, Permit Solutions & E2 Training Consultants were contracted to train the students in quantitative aptitude, reasoning, resume drafting and soft skills for a duration of 36 hours. Meticulous planning is done to enable the students to participate in the recruitment drive organized by CMM level 5 Companies and place them in targeted companies like Infosys, FSS, MRF, TCS, Wipro, CTS,

Amalgamation, Airtel, BYD Electronics, Johnson Lifts, Asahi India Glass, ETA ASCON, BOSCH, SHI, Sutherland, Nokia Siemens, Royal Bank of Scotland, Avasoftware, Glenwood Systems, Caterpillar, Apollo tyres, Indo Japan Lighting, SPK Power, Oasis, NVH India, MS global, Vortex Engineering.

Prof. R. Ravikumar
Head CPD Cell

Training the Trainer
We have entered into an MOU with Sutherland to impart specific training skills to teachers in our Engg. College & Polytechnic College so that they acquire competencies to train the students in turn for employable skills.

Business Aptitude

Analytical Reasoning
Numerical Ability
Problem Solving

Language:

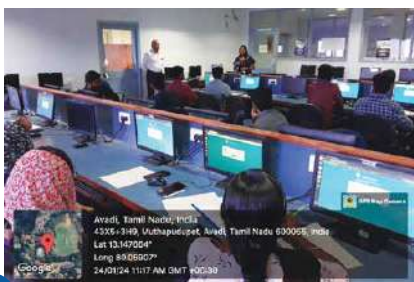

1) Grammar 2) Comprehension 3) English Usage.

NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme (NSS) in our college has been actively conducting various social service activities, fostering a sense of community and social responsibility among students. Recently, the NSS unit organized a medical camp, where students and faculty members have benefited.

Another significant activity was the cleanliness drive under UBA scheme, where volunteers cleaned the college campus and 5 adopted village promoting environmental awareness and hygiene. The NSS team also visited a nearby welfare school, spending time with the children and distributing essential items like food, writing board, and stationery. Additionally, the unit conducted a tree plantation drive, planting saplings in the college campus to promote greenery and reduce carbon footprint. A health awareness program was also organized, where experts delivered talks on nutrition, mental health, and wellness. These activities not only benefit society but also help students develop valuable skills like leadership, teamwork, and communication. The NSS unit in our college is committed to continuing such initiatives, making a positive impact on the community and shaping responsible citizens.
