GAJA CYCLONE RELIEF 01.12.2018

Gaja cyclone is the most devastating in the delta region of Tamil nadu. College management has decided to do relief in big scale for the people of Delta region in hand. In this faculty's **Half Day Salary** is donated and students contribution is added to get the relief materials of worth 2 lakhs. Materials like grocery, plastic shelters, and solar lights were purchased and given to the needy people in the delta region. In the relief programme Mr. K.Pandiarajan Hon'ble Minister of Tamil Language and Tamil Culture, Our Secretary & Correspondent of Aalim Muhammed Salegh Group of Institutions, Alhaj. Athullah, Trustee & Administrator, Principal, staff members and public have present. Nearly 10 volunteers and 4 faculty members have gone to the delta region and given the aid to the needy people in hand.

'ONE STUDENT, ONE TREE'

On November 11 2018, the deep depression strengthened at Bay of Bengal into a cyclonic storm, and was given the name Gaja Cyclone by the IMD. After tracking west-southwest ward for a number of days, it made landfall at Vedaranyam near Nagapattinam in southern India, early on November 16, as a very severe cyclonic storm passed over Tiruvallur district. Due to the impact of Gaja Cyclone our college campus was severely affected and many trees and plants were rooted out. Total greenery of the college campus was destroyed. After the devastation, the college management has to work out the time bound strategies to implement clean and green campus initiatives.

As contribution to 'One Student, One Tree' initiative launched by our Honourable HRD Minister Dr. Ramesh Pokhriyal Nishank, the National Service Scheme(NSS) unit of Aalim Muhammed Salegh College of Engineering has conducted a 'Tree Plantation Programme' on 9th August 2019, between 2.00 to 4.00pm in our College campus. Dr.K.SureshKumar, the NSS Programme Officer, organized the event. Nearly 140 student Students along with the Principal Dr. M.Afzal Ali Baig, Vice Principal Dr.Mohd. F Shabir, and Heads of various departments have participated in the event. More than 100 saplings were planted in the College premises. Earlier on 05.08.2019, Dr.S.Selvam, Former Director, Institute of Industry Collaboration, Anna University, Chennai and Mrs. Selvam initiated the event by planting few saplings in the campus. This event has created awareness on the importance of trees among students and motivated them to plant more trees in their surroundings.

RURAL VISIT:

The students were taken to the villages adopted by Aalim Muhammed Salegh College of Engineering (under Unnat Bharat Abhiyan Scheme). The students were made to take Village Household Survey. The villages visited by our students were Palavedu, Pakkam, Puliur, Kadavur and Pandeswaram 10.11.2022 to 17.11.2022. The 270 students had a wonderful time interacting with the people living in the villages.

These are the achievement for the clean and green campus initiatives. Our college campus is well known for green initiatives and visitors and parents and the students will feel happy and a feeling is received harmonically. Plantation of saplings is the regular activities in our campus. The major role players are the NSS (National Service Scheme) volunteers. The green landscaping is well planned and becomes the nurturing tasks for every individual of the campus. The usage of plastic material has been restricted. The parking area of our campus for 4-wheelers and 2-wheelers are well designated. In the campus, usage of motorizing of 4-wheelers and 2-wheelers are prohibited. As an alternative step staff and students are encouraged bicycling between the inter-buildings of the campus. The shade giving trees are nursed and developed and this is the continuous process which inculcates the ecosystems in and around the campus. National Social Service Scheme (NSS) volunteers of the college, focused to propagate the importance of greenery, open defecation, rain water harvesting, water storage by cleaning the ponds in the adopted villages. Plantation of saplings is the regular activities in our college campus. The major role players are the NSS and UBA volunteers. It has shown remarkable awareness in maintaining an eco-friendly campus. Indeed, viewing the lush green lawns, labelling the trees on the basis of botanical names. Some of the measures taken under the Green Initiatives are as follows:

GREEN CAMPUS INITIATIVES

- a. Restricted Entry of Automobiles.
- b. Bicycle Usage.
- c. Plastic Free Campus.
- d. Landscape with Trees and Plants.
- e. Outreach Activities on Green Practice.
- f. Green campus Policy.
